Letter from Our Choir Director:

Hello Choir Families!

Thank you for your steadfast support during this most unusual and difficult semester. Even on the most frustrating of days, we have felt so encouraged by each of you. We are constantly working to pivot and adjust with this fluid situation to keep our choral program moving forward and to support all of our students, both musically and emotionally, while here (F2F or virtually!) in PWSH Choir. In this season of Thanksgiving, we want you to know how truly thankful we are for each of YOU. Mr. Krajca and I are continuing to work on creative and new ways to engage our students and to develop and showcase their individual and collective musical excellence, and this is possible because of your support and championing.

While we do not have a Magic Crystal Ball to allow us to really know exactly what will be possible and in what way moving into the Spring Semester, we do anticipate being able to produce an All-Choir Spring Show (tentatively 4/30/21), Syncopation and Rhapsody Garden Show (tentatively 5/14/21) and Banquet (5/15/20) in some capacity. We still do not have word on what UIL Solo and Ensemble or UIL Concert/Sight-reading will look

like right now; however, Mr. Krajca and I are confident we can provide some sort of an experience, even if it is not the typical version. We are hoping we may provide a comprehensive calendar of events, including how we will be accommodating cohort splits and including strictly School@Home students, upon instructional return in January. Frequently, I am asked how to support the Plano West Choir Students. With the coming of these spring productions in any form, financial resources will be needed needed, especially when we are incorporating digital elements. I would encourage you to visit pwshchoir.com for more direction on how to help the Plano West Choir Booster Club. In addition to providing volunteers and other non-financial support, our booster club does financially supplement many activities for which our students have grown accustomed.

In the coming break and end of semester, I hope you and yours have moments of quiet reflection and peace.

Be well,
Mrs. Council
